## Nice to Meet You! Doggy. -Children Meet Therapy Dogs-

Akiko Akagi

Therapy Dog Department Manager, Japan Rescue Association

For the Japan Rescue Association, this initiative by a therapy dog started with unprecedented tension and anxiety. The children's "excitement and excitement" that had been swollen before "Nice to meet you ! ", and therapy dogs who snuggle up to children without any preconceptions. The anxiety and tension of the adults were betrayed in a good way, and a wonderful encounter between the children and the therapy dogs was realized.
